Coming up this week and early next:

*July 15*

Briefing with Debbie J and Alexis re EJ2020

*July 19* EJC Meeting (Yosemite is booked; Kathleen will cover, Amy and I are out)

Main topic: EJ2020

*July 20* Alexis meets with MFN in LA; SF crew (and possibly Debbie J. participate via VTC)

A few things I'm working on . . .

- Completing the communities assessment for SMT discussion on July 25
- SEP-sleuthing, 112(r) and RCRA
- Internal outreach to RIPSC re EJ2020
- Planning a webinar for the Exide Advisory Group with Steve Kemp, R7 Asarco RPM (to happen prior to next AG meeting on 8/18)
- Close out the DTSC EJ grant (it's overdue and OGD is auditing OECA grant files)
- ADEQ targeting initiative – planning, recruiting participation from Enf EJ network members via the first line supervisors (also to prep for our EJ network retreat)
- Notes from EJ2020 outreach sessions
- Giving Gene ideas for updating our division SP site with EJ docs/resources

I'll be on annual leave July 18-19 and 22.
